

HYOSEOK KWAK (LOGAN)

Studying General English

What were the challenges you had to overcome? When I first came here, I could not speak English very well, at all. Now I am much better.

How would you describe your teachers training style? Very powerful, very kind and she is very good at explaining. She is awesome.

What has been your best experience at Explore English? Explore English has been such a wonderful experience for me. I have met many nice people.

Would you recommend the course to your friends? Yes, I would. Because this school is very nice, in particular my teacher, Jess.

Hi! my name is
