

NOZOMI TODATE

Studying General English Course

What were the challenges you had to overcome? To be able to speak English and have the confidence to make friends.

How would you describe your teachers training style? My trainer was Anna and she is very good with conducting discussions, playing games and group activities.

How will the skills you have learnt at EE help towards your future? I have learnt speaking and grammar and now my skills have greatly improved. I can now communicate in this country and I want to study more English.

What has been your best experience at EE? I made a lot of other friends. Every weekend I go out with my new friends.

Would you recommend the course to your friends? I recommend this General English course. There are lots of fun games and it is so much fun.
